#### **Details:**

Modern Style Living Room Decor: Stand up the contemporary Brightech Montage Modern floor lamp in the corner to overhang your sofa, or place it more prominently to display the gorgeous marble base (extremely sturdy and anti-tip). Wherever you place the standing lamp, this tall, large lamp is versatile, matching home decor including mid-century modern and traditional to contemporary or even industrial looks.

5 Feet Tall Corner Standing Lamp: Use this overhead floor lamp like an arc lamp, having its arm overhang your sofa, armchair, or desk. Weighing only 14 pounds (mostly in the base), and standing just over five feet tall, it is easy to move around to where light is needed most. The heavy, sturdy base prevents tipping on any surfaces including carpet, and the convenient footswitch allows you to easily tap the lamp on or off (without fiddling with a small switch each time).

Alexa & Google Home Assistant Compatible: The contemporary corner floor lamp works with smart outlets that are Alexa, Google Home Assistant, or Apple HomeKit enabled, to turn on/off. (Requires smart outlet sold separately.) Once you have the overhead Montage Modern tall lamp set up and the plug connected to your smart home device, you leave the lamp in the on position and let the technology do the rest - allowing for easy on and off (unlike many other lamps)

20 Years Lifespan, Energy-Saving & Cost-Saving: The floor lamp's integrated bulb lasts around 20,000 hours with an 800-lumen power-saving LED bulb. The arc floor lamp's 3,000K soft white light is pleasant and bright underneath the hanging lampshade - and because the LED light outlasts energy burning halogen or incandescent bulbs. Save money and energy with the Brightech Montage Modern lamp. Note: Bulb not dimmable.

THE WARRANTY: Unlike other brands, our floor lamps are built to last, and we stand behind that. That's why Brightech USA offers an industry-leading 3-year warranty covering defects, malfunctions, or sudden failures to your standing lamp when purchased through us. Thanks to our friendly USA-based support team, you'll rest easy knowing your floor lamp has the backing you can trust.
